Good day everyone, and welcome to the Final of the Sussex Junior Cup which brings into contention Nutley from the Mid Sussex Football League and Rusper from the West Sussex Football League. The Sussex County Football Association welcomes both Clubs to Lancing, hopes that each team will play at its best and that the better on the day will prove to be successful, but above all expresses the wish that the Officials, Players and Supporters of the two Clubs and the Referee and Linesmen will all enjoy themselves on this special occasion.

Nutley F.C., formed in 1890 has played all its football in the Mid Sussex League and has had varied success over the years, but has never previously reached this stage in a County Cup Competition. However, informed comment has it that they are a force to be reckoned with this Season, and Mid Sussex hopes are that they will emulate Newick from that League who won this Cup in 1979.

Rusper, has been in existence for over 50 years but only recently has it had any consistent success. Champions of Division 5 in 1976/7 and runners up in the Tony Kopp Cup, the Club did even better in 1977/8 by winning the Tony Kopp Cup and also Division 4. Runners up in the Tony Kopp again in 1978/9 they were Champions of Division 3 and finished 3rd in Division 4 the following Season. Relegated in 1980/81 the Club came again by being promoted in '81/2, finished runners up in 1982/83 and have won the Division this Season by 5 points with one game remaining.

Prior to the commencement of the match the teams will be presented to the Chairman of the Council of the Sussex County F.A. Mr Peter Wilkins, the Chairman of the Competitions Committee Mr Peter Bentley and to a representative of Lasergage Limited who sponsor County Cup competitions to the tune of £1600 per season. Both Clubs will benefit financially today as the winners will receive £120 and the runners up £70 in addition to sharing 80% of the gate proceeds. The Association hopes that Ken Somerville, Managing Director of Lasergage and Council Member of the S.C.F.A. will be able to be here today, as Ken was responsible for obtaining the Sponsorship and the Association is grateful to him.

It remains to thank Council Members of the Association, Vice President Dick Dunn and their ladies for carrying out the many necessary duties at the ground today, and to the groundstaff of Lancing F.C. for preparing the best possible pitch conditions which is not the easiest of tasks with the variable weather conditions always experienced in April.

If the scores are level at 90 minutes, 30 minutes extra time will be played and if a definite result is still not obtained the replay will be on this ground on Tuesday May 1st K.O. 7.30.p.m.
